

NHSRCL inks pact on High Speed Rail Corridor

National High Speed Rail Corporation Limited signed second contract agreement of design and construction of 88 km of viaducts between Vadodara and Ahmedabad in Gujarat (C-6 package) including construction of elevated HSR station at Anand/Nadiad, for Mumbai-

Ahmedabad High Speed Rail Corridor (MAHSR), with Larsen & Toubro Limited. With this, NHSRCL has awarded civil contracts for the construction of 92% of MAHSR alignment in Gujarat (325 km out of 352 km in Gujarat). It also includes five HSR stations of Vapi, Billimora, Surat, Bharuch, Anand/Nadiad, and train depot at Surat and one mountain tunnel of 350 metres. Managing Director, Achal Khare stated that NHSRCL team has signed two big contracts for the civil works of MAHSR project in last one month.
